K. H. for Kirkland Hall, or North College.

H. H. for Hamilton Hall, or South College.

†. Absent from College by permission.

‡. Dismissed since the beginning of the present year.

ADMISSION.

It is required that candidates for admission be not less than fourteen years of age for the Freshman class, with a corresponding increase for an advanced standing—that they furnish evidence of a good moral character, and, if from another College, a regular dismission, and that they sustain a satisfactory examination on the PREPARATORY STUDIES, or for an advanced class, on the several studies to which the class they propose to enter has attended. None can be admitted into the Senior class after the winter vacation.

PREPARATORY STUDIES.

1. English, Latin, and Greek Grammar, including prosody and correct accentuation in reading.
2. Sallust, or Cæsar's Commentaries.
3. Virgil's Æneid.

5. Prose of the Greek Reader. [Or Greek Testament and Græca Minora.]
6. Geography and Arithmetic.

The ENTRANCE EXAMINATION is held on the day preceding Commencement, and on the last day of the ensuing vacation.

COURSE OF INSTRUCTION.

The whole course of instruction occupies four years. Each year is divided into three terms. The students in all the classes attend three recitations or lectures on each of the six days, except Wednesdays and Saturdays. On these days they have two recitations, besides attending to public exhibitions in the Chapel, of Declamation, Select Translations from the Classics, Original Essays, and Specimens in Oratory.

The object of the course is to form the mind to habits of accurate discrimination, close reasoning, and vigorous application; and at the same time, to furnish it with the great leading facts and principles in Literature, Science, and the Arts.

PAYMENT OF BILLS.

A Student admitted to an advanced standing, unless from another College, is charged to the Sophomore class $7, to the Junior $10, and to the Senior $12.

It is provided by a resolution of the Board of Trustees,

1. That no Student shall be permitted to enter on a second or any succeeding term, until he shall have paid or secured to the satisfaction of the Treasurer, the fees of the preceding term.

2. That no Student can have an honorable dismission from this College, or certificate of his previous attendance in it, until all his bills are paid, or satisfactorily secured.

3. That any Student whose circumstances render it necessary, provided he proves himself a worthy member of the College, and his under graduate course is completed in this institution, can have his bills for tuition remitted.

ABSENCE FROM COLLEGE.—The portion of the year allotted to vacations is so great, as to render it quite unnecessary for the Students to visit their friends during the term, except for urgent and unforeseen reasons. The occasional loss of a day, can not fail to have an unfavorable bearing on the intellectual habits and standing of the Student. It is hoped that parents and guardians will concur with the Faculty, in their opinion of the inexpediency of granting leave of absence in ordinary cases.
